# Comparing Annual Performance on Six routes

Route <b>4</b>	One of three ferry routes serving <b>Salt Spring Island</b> (resident population 12,000), Route 4 is operated by one 92 AEQ ferry between <b>Swartz Bay</b> (Victoria) and Fulford Harbour.
Route <b>5</b>	Connecting <b>Swartz Bay</b> with the <b>Southern Gulf Islands</b> , Route 5 serves four smaller islands (Galiano, Mayne, Pender and Saturna) with a combined population of around 6,000 using up to 3 ferries of differing sizes
Route <b>9</b>	This route connects <b>Vancouver</b> (Tsawwassen) with the <b>Southern Gulf Islands</b> on an infrequent schedule requiring 1 or 2 138 AEQ ferries depending on the time of year. This pre-bookable route also serves Salt Spring Island.
Route <b>8</b>	Connecting <b>Vancouver</b> (Horseshoe Bay) with <b>Bowen Island</b> , Route 8 serves a resident population of approx. 4,250 with 1 x 100 AEQ ferry.
Route <b>19</b>	Route 19 connects <b>Nanaimo</b> with <b>Gabriola Island</b> (population 4,500) on a schedule that, until 2022, was operated using 1x63 AEQ ferry. From April 2022, this was replaced by 2x47 AEQ ferries on a more frequent service.
Route <b>23</b>	Connecting <b>Campbell River</b> with <b>Quadra Island</b> (population 4,000 including neighbouring Cortes Island) this route was previously operated using 1x64 AEQ ferry but enhanced in 2023 with a more frequent service using 2x47 AEQ ferries.
